RELATED ACCOUNT AUTHORIZATION

The undersigned ("Customer") hereby authorizes and directs the Marex North America LLC ("Marex NA") to open a new account using all existing documentation, including but not limited to agreements and risk disclosure acknowledgments, maintained and existing on file with Marex NA. Customer hereby acknowledges the receipt and sufficiency of consideration in exchange for Marex NA's agreement to open this new account. Customer accepts and agrees to be obligated to all of the representations, terms and conditions contained within the existing account documentation, customer agreement, and other agreement, or acknowledgment of receipt of risk disclosures previously agreed to with Marex NA or which have been assigned to Marex NA, which are herein incorporated by reference.

Customer further represents that any additional account opened pursuant to this authorization is identical in all respects to customer's existing account, except as otherwise disclosed to Marex NA in writing, and further represents that there have been no material changes in customer's personal information or financial condition as previously disclosed in prior account documentation. For purposes of margin, customer instructs Marex NA aggregate all futures, options on futures, cash, securities and other property held in each of customer's accounts carried by Marex NA.

Customer acknowledges that his/her separate accounts will not contain long positions in one account and offsetting short positions in another account, unless such accounts are independently traded or both accounts are Hedge Accounts. Customer acknowledges and understands that there are limitations in the ability to transfer positions between accounts that result in an offsetting transaction, and that Marex NA may not be able to process such transaction.

The reason I/we would like to open another account(s):_____
