## About us

**Established in 2010**, Sweet Futures is an independent Introducing Broker headquartered in Chicago, within the historical Chicago Board of Trade building.

We are the premier choice for **commodity clearing** services for all major US exchanges and global markets.

Our **multi-FCM relationships** give us the ability to offer our clients very competitive clearing rates, financing considerations, cutting-edge technology solutions, research, and back-office reconciliation services.

Our Management Team has **over a century** of combined futures industry experience that includes but is not limited to former exchange members, traders, brokers, and executives.

Our objective is simple: **provide you value** through competitive market pricing and unmatched customer service

# Multiple Clearing Relationships

Sweet Futures maintains robust relationships with several banking and non-banking FCM exchange members. These partners allow us to further customize our offering.
